The first private nursery school in Radom (Poland)

# "Forget-me-not"

## The first private nursery school in Radom

*"I can learn everything what interests me  
And I have a right to chose with who I want to play"*

**J. Korczak**

The nursery school "Forget-me-not" was founded on the 3<sup>rd</sup> January 2005. Our nursery school has four age groups. Each group has no more than 16 children. Our building (725 sq m) has two storeys, and is situated on Staroopatowska 6B street. Whole nursery school area is fenced. In the area we have a tennis court and a playground located.

## Kindergarten's mission

Through varied forms of education and stimulation in child's development, especially in physical aspect, creativity, the level on knowledge about world around him and social-emotional behavior, proper preparation to the next educational level, which is learning in primary school.

## Our main tasks :

- protect kids health,
- develop their physical education,
- direct kids cognition of the outward things,

Our nursery school is fulfilling aims and tasks which have been defined in the act about Education System in Poland. We are also following fundamental program basis, which have been by the Ministry of Education.

The whole place is being owned by Małgorzata and Jaroslaw Bartosiak.

Your kids will find here:

- Each group has no more than 18 children,
- Qualified and experienced teachers,
- Full medical attention,
- Possibility of learning English,
- Possibility of having dance lessons,
- Drama activities,
- Various activities which purpose is to develop physical condition (for example: having tennis lessons in the area and visiting swimming pool regularly).
